BASS LAKE

Bass Lake is located in the heart of a triangle, whose points are: Chicago—Indianapolis—Fort Wayne. It is 695 feet above sea level and has fifteen miles of shore line, with State and County highways encircling it completely. U. S. Highway 35 skirts the south end of the lake.

The lake is spring fed and has a deep channel flowing from the north to the south end. It is unexcelled for bathing, having almost everywhere a gently sloping, sandy beach. This lake has never been closed to bathers for reasons of impurity or lack of safety. At BASS LAKE STATE PARK, on the east side of the lake, the beach is so arranged as to accommodate everybody, from the smallest tot to the most experienced swimmer. It has a long pier, a high diving tower, and life guards are on duty from dawn to dusk throughout the season. Refreshments, lunches and locker facilities are available in the Beach House. The park is operated by the State.

At the south end of the lake is located the BASS LAKE PARK, which is privately owned and operated. It has shady groves for picnics, a trailer park and cabins, also restaurant, swimming and boating facilities.

The fishing for Blue-Gills, Crappies, Bass, and Wall-eyed Pike is excellent in season, especially for those skilled in the art. At the north end is located the BASS LAKE STATE FISH HATCHERY, which keeps the lake stocked, as well as supplying other lakes and streams in the vicinity, and is known as one of the finest fish hatcheries in the country.

There are many cottages at the lake dating back to the time, when families left the city at the close of the school year and settled here for the entire vacation period. New cottages have been added every year, until now there in are the neighborhood of five hundred. Hotels, Resorts, Cabins and Tourist Homes are scattered around the lake, and are amply able to accommodate all, who plan to stay here for a few weeks or days.

The settlement around the lake is unincorporated, but differs from most lake settlements in that the owners and residents have for years maintained the BASS LAKE PROPERTY OWNERS' ASSOCIATION, which functions summer and winter for the welfare and improvement of the settlement.

The association furnishes year-round fire protection by maintaining an up to date volunteer Fire Department, located at the lake and on call day and night. In addition to protecting the lake cottages, it also serves the farm properties in the counties, in which the lake is situated.

Another activity of the association, which is much appreciated, is the collection and disposal of garbage from the cottages of its members during the height of the season in July and August. As well as being a convenience, it aims to keep the lake and surrounding properties clean and healthful.

A yearly visit to BASS LAKE is like a home-coming.

**INDIANA'S VACATION LAND IN BASS LAKE PARK
ON BEAUTIFUL BASS LAKE**

Brydon's Beach is no more. In its place it will be known as Bass Lake Park owned and operated by Harry A. Rannells of Knox, Indiana, original owner of the ground which was purchased by Mr. Brydon and had to be taken over by Mr. Rannells.

The Park will be operated as in former years with picnic grounds, cottages for rent, spaces for house trailers, beaches, tavern service and a merry-go-round for the children.

For Hotel accommodations, dancing, skating rink and restaurant service, the Crystal Resort just south of Bass Lake Park, will give vacationists everything they could find at larger lakes, so make your vacation complete by visiting both these places.

Then there is Fishburn's Grocery with a garage in conjunction, where sporting goods are also sold and the place to register, if you are a stranger, or trying to locate some friend. Fishburn's will be the information center for the Lake.

TO RESIDENTS OF BASS LAKE----

IN CASE OF FIRE

Call Knox Telephone Exchange and ask operator to notify the BASS LAKE FIRE DEPARTMENT. Be sure to tell the operator the exact location of the fire.

GARBAGE DISPOSAL

To keep your property clean and abate the fly nuisance have your kitchen garbage removed twice each week, Tuesday and Friday morning, beginning Friday, July 2nd, and ending September 7th, by joining the BASS LAKE PROPERTY OWNERS' ASSOCIATION. Yearly dues \$2.00. Send cash or check to the SECRETARY, Box 173, R. R. No. 3, Knox, Indiana, and be sure to give your permanent address as well as your address at the lake. You will receive a card, which is to be tacked on house, tree or fence, and will serve as notice to the garbage collector. This card also provides protection against burglary.

The dumping of garbage into the lake is prohibited by law, and violators will be reported to the County Health Authorities.

No doubt you will find errors but we want to correct all mistakes and make this book a help to all who visit us from year to year. Fishburn's have offered their Sporting Goods Store as headquarters for all complaints or errors and perhaps omissions. We trust we didn't omit anyone. Also newcomers who are looking for friends.

You can help us if you are expecting guests if you would register at Fishburn's and tell whose cottage you are in. All co-operation will be appreciated.
