BASS LAKE

Bass Lake offers an ideal and conveniently located vacation spot for the people of Chicago and of the many large manufacturing towns of northwestern Indiana, as well as for the citizens of the many smaller towns nearer the lake. Its sandy beaches and gently sloping bottom make it a summer paradise for youngsters and for those of their elders, who go in for bathing and swimming. The lake is spring-fed, which insures a continuous inflow of fresh water. The lake has never been closed to bathers for reason of impurity.

On the east side of the lake the State of Indiana has established a public park and bathing beach, where life guards are on duty throughout the summer season. Locker facilities and refreshments are available in the Beach House.

There is also a large and well-kept park at the south end of the lake; with shady groves for picnics, a trailer-park and cabins, also restaurant, bathing and boating facilities. This park is privately owned and operated.

The fishing for bass, blue-gills, crappies and wall-eyed pike is excellent in season. Boats are for rent and minnows for sale at numerous points around the lake. The Bass Lake State Fish Hatchery is located in the northeast corner of the lake and keeps it well stocked.

MODERN ROOMS & CABINS

A number of good hotels are located around the lake, and with the many rental cottages, resorts, cabin camps and tourist homes are prepared to accommodate all, who plan to spend a few weeks or days here. The settlement around the lake is unincorporated, but the owners and residents many years ago organized the BASS LAKE PROPERTY OWNERS' ASSOCIATIONS, which functions summer and winter for the welfare and improvement of the community. Details of its activities will be found in various places in this book.

For an evening's entertainment visit the BASS LAKE CONSERVATION CLUB, which owns and operates a commodious club house at the lake. A committee of the club arranges social parties for its members and their guests both winter and summer and a cordial invitation is extended to all Bass Lake visitors. Don't miss the chance to get acquainted with your neighbor and enjoy the delicious refreshments.

MAIL FOR VACATIONISTS

There is no post office at Bass Lake. Mail is delivered to and collected from the individual mail boxes of the residents by mail carriers from the Knox Post Office once each day except Sundays and Holidays.

The lake is served by two mail routes, the dividing line between them being at the northeast corner of the lake. Route Number One takes in the north and west sides, Route Number Three the east and south sides of the lake. In a great many instances the same box numbers occur on both routes.

Tell your guests in advance of their coming to arrange for having their mail addressed, to KNOX, INDIANA, and to be sure to have the address show both ROUTE NUMBER and BOX NUMBER. This will ease the work of the mail carriers and insure against delay or sometimes even non-delivery of mail.

Bass Lake Property Owners' Association

This Directory is published by the association for the benefit of the residents and visitors, and of the business houses at Bass Lake and in the nearby towns. The proceeds of advertising, less the cost of printing and distribution, is spent for the improvement of our lake and of our Fire Department.

Some of the activities of the association are described in detail in other parts of this book, but all matters pertaining to the welfare of the community, such as the maintenance of the established water level of the lake, the re-stocking of same with game fish, the improvement of roads around the lake, the protection of cottages against fire and burglary, etc., are all subjects for action by the association.

We are what is termed a "not-for-profit" organization, and all the officers serve without remuneration. Their love of Bass Lake, and their desire to help others to a realization of its beauty and promises, constitute their motive power.

Let us inspect your property daily during your fall and winter absence —

FIRE PROTECTION

The Bass Lake Property Owners' Association maintains an up-to-date Fire Truck, fully equipped and manned by an efficient, experienced and enthusiastic crew of volunteer firemen, drawn from the younger members of the association, who make their homes around the lake.

A modern Fire Station, 30 by 80 feet, has been built by the association during the past year. It is located at the south end of the lake.

In case of fire call the Knox Telephone exchange and ask the operator to notify the BASS LAKE FIRE DEPARTMENT. Be very sure to give the operator the exact location of the fire.

PULMOTOR

The association also maintains a modern pulmotor, which is installed on the Fire Truck, and the firemen have trained themselves in its operation under the tutorship of a qualified physician. In case of drownings or other emergencies, where a pulmotor can be of service, follow exactly the same procedure as in case of fire, but stating that the pulmotor is wanted. In addition call a doctor if one is not already in attendance.

Summer Garbage Collection

For the convenience of its members the Bass Lake Property Owners' Association furnishes this service to them for a yearly fee of \$2.00 per cottage. Collection of garbage, tin cans, etc., will be made twice each week for ten weeks of the summer season.

The first collection of the 1949 season will take place on Friday, July 2nd. In addition to regular garbage any reasonable winter accumulation of tin cans, broken crockery, etc., will be picked up on that day if properly placed for collection. From then on the collector will make his trips every Tuesday and Friday to and including Tuesday, September 7th.

Kitchen garbage must be placed separately in covered containers and must be absolutely free of glass, tin cans, etc. Cans, glass, broken dishes, etc., will be picked up when placed in separate containers. No container may exceed twenty gallons in capacity.

Containers must be placed on the road outside the property line the night before each collection date, in order to facilitate the work of the collector. Ashes, grass, discarded furniture, and junk of any kind do not come under the classification as garbage, but arrangements can usually be made with the collector for their removal at another time on payment of a reasonable fee.

It is against the law to dump garbage and other refuse on the road, in ditches, or on other people's property, and any instance of that kind will be reported to the Board of Health for prosecution.

Summer Garage Collection

For the convenience of its members, the Board, Ladies' Society, and
Church of St. Andrew's, will hold a Summer Garage Collection
on the first of July, 1900, at the residence of Mr. J. H. [Name],
[Address].

The first collection of the year will take place on Friday, July
1st, at 10 o'clock, at the residence of Mr. J. H. [Name], [Address].
The collection will be held at the residence of Mr. J. H. [Name],
[Address], from 10 o'clock to 12 o'clock, and will be held at
the residence of Mr. J. H. [Name], [Address], from 12 o'clock to 2 o'clock.

Members desiring to contribute to the collection should
bring their contributions to the residence of Mr. J. H. [Name],
[Address], on the first of July, 1900, at 10 o'clock.

The collection will be held at the residence of Mr. J. H. [Name],
[Address], from 10 o'clock to 12 o'clock, and will be held at
the residence of Mr. J. H. [Name], [Address], from 12 o'clock to 2 o'clock.
The collection will be held at the residence of Mr. J. H. [Name],
[Address], from 10 o'clock to 12 o'clock, and will be held at
the residence of Mr. J. H. [Name], [Address], from 12 o'clock to 2 o'clock.

The collection will be held at the residence of Mr. J. H. [Name],
[Address], from 10 o'clock to 12 o'clock, and will be held at
the residence of Mr. J. H. [Name], [Address], from 12 o'clock to 2 o'clock.
