IMPORTANT INFORMATION

FIRE CALL: DIAL 772-3388 Call this number **ONLY** if reporting Fire, Drowning, Heart Attack, Emergency.

When the above number is dialed, the telephones of the Firemen and Fire Chief are rung simultaneously for a 3-minute period. It is an intricate and expensive hookup paid for by our Association.

For any Association matters call an officer or Director of Association.

Indiana Dept. Conservation Boating Regulations

Each Person in a motorboat, children and adults, must have a life preserver of a make or type approved by the U.S. Coast Guard.

Ten miles per hour is the maximum speed allowed for a motor-boat when within 200 feet of shore, or in any channel; and 10 m.p.h. is the maximum speed allowed on any lake of less than 300 acres. (Note: Bass Lake has an area of 1,345 acres.)

It is illegal to operate a motor-boat in a circle around ANY other boat whose occupant is fishing; or around any person swimming.

All motor-boats and sailboats must be equipped with a bright white light aft, visible for two miles all around the horizon, lighted after sunset.

Any boat without motor must be equipped with a portable lantern or flashlight capable of throwing a bright white light, visible for two miles, and must be displayed in time to avoid a collision.

No person shall operate any boat while under the influence of an intoxicant or narcotic.

A copy of the Indiana Boating Laws is available from the Enforcement Division, Department of Conservation, 100 N. Senate Ave., Indianapolis, Indiana.

SUMMER GARBAGE COLLECTION 1971

Available to 1971 Paid Members at the nominal fee of \$8.00 per cottage.

Garbage Collection: Pickup will be on Mondays and Fridays beginning June 14, 1971 and ending September 10, 1971. Use 20 gallon or less container and drain off excess liquids. Be sure to obtain your summer garbage sticker and display it on your garbage can per instructions. This will insure proper pickup.

Containers should be placed on the roadside, adjacent to your property line, the night before each collection day.

SPECIAL ARRANGEMENTS: Discarded furniture and junk of any kind do not come under the classification of garbage; but arrangements can usually be made with the Collector for their removal at another time, on payment of a reasonable fee.

COLLECTOR: According to his Contract with B.L.P.O.A., the Collector is not permitted to make pick-ups for persons who are not members of the Association; either regular, or by special arrangement. The Collector will be furnished a List of Bass Lake Property Owners and year-round renters (before the first Collection day). This List will indicate those who are members (Fee: \$5.00) and those who have paid the garbage collection fee (Fee: \$8.00) for each cottage. Others, requesting service, will be referred to the Secretary of Bass Lake Property Owners' Association.

NOTICE: It is against the law to dump garbage and other refuse on the road, in ditches, in lake, or on other people's property. Any instance of that kind will be reported to the Board of Health for prosecution.

*...it's
easy
with
Martin
Senour
paints*

Doubt's out—fun's in—
when you decorate the
Martin Senour way. Our
thousands of stylist-created
colors are planned for sure,
simple selection. We've mood-
making palettes, Colormate
combinations, accent ideas,
contrast tips and decorating
tricks. Once you decide—we can
deliver immediately—any color,
in any finish, in any quantity
with our mind-reading Martin
Senour Jet Blender.

THE MARTIN SENOUR JET BLENDER
mixes or matches any color
choice, any finish in less than
30 seconds.

TO REPORT A FIRE, DIAL 772-3388

Call this number ONLY when reporting a fire, drowning, heart attack or other emergency. When the above number is dialed, all telephones of the Firemen and the Fire Chief will ring simultaneously for a period of three minutes. It is an intricate and expensive system paid for by our Association. When reporting a fire or emergency, stay on the line for a few minutes until there are no more answers. During this period repeat the necessary information to describe the emergency, such as: house fire, grass fire, heart attack, drowning, etc. and above all describe the exact location.

COUNTY ZONING

Attention - Residents of Bass Lake . . .

STARKE COUNTY ORDINANCE Z-1 — EFFECTIVE FEBRUARY 1, 1957 —

An ordinance created for the promotion of the general welfare, all in accordance with a Master Plan designed to assure efficiency in the process of development of the County and its environs.

The ordinance provides that no building or land shall be used and no building shall be erected, reconstructed, or structurally altered, which is arranged, intended or designed to be used for any purpose other than a use which is permitted and specified in a district in which such building or land is located.

Within the Jurisdictional Area of Starke County no structure, improvement, or use of land, may be altered, changed, placed, erected or located on platted or unplatted lands, unless the structure, improvement, or use, and its location, conform with the Master Plan and Ordinance of the County and zoning for such structure, improvement, or use has been issued.

FEES FOR PERMITS ARE AS FOLLOWS: New construction of a principal building: ten dollars and for an accessory building or for an alteration of an existing building: five dollars. Permits may be obtained from the Starke County Building Commissioner, located in the Court House at Knox, Indiana
