

Solliday Cigar Factory

Cigars!

FOR THE MAN WHO LIKES A REAL SMOKE

The cigar with the Des Parlarda Havana blend—better than most imported cigars today, made in the biggest little factory in the biggest little town in the country.

perfectly blended
rich aroma

Listen!

You have no doubt smoked them. Made in Knox for the past 38 years. Thousands have been made during these many years; hundreds have smoked them during all this time, many of whom have been here and gone, and friends still here, tho' they have grown grey like ourselves, still smoke and enjoy with reverence these good cigars. They are strictly and absolutely

Solliday's Yadillos

Handmade the Old-fashioned Way

The Best Way—Not Made by Machines

and made from tobacco absolutely grown in 1910, 1912 and 1914 just think of it! Has been in our factory for 16 years. Old, natural cured, rich and mellow. Cigars are perfectly blended; always the same; good taste; high aroma, and Made in your own Home Town. Packed in Cedar lined cans, Cellophane pouches

Each Cigar Packed in Cellophane

Thus insuring a sanitary, unbroken, proper conditioned individual cigar.

Note In one cigar in each 500 made is A NAIL, and the smoker finding the nail as the cigar is smoked is entitled to 25 of these cigars FREE by bringing or sending the nail to the factory.

If you are a cigar user and wish to enjoy those that are away from the ordinay we know you will enjoy *Solliday's Yadillos Cigars*. A trial will at least convince. Order a box today.

A Can of 25 for \$1.00—Postpaid \$1.10
