Known for Fun, for Sport, for Fish. Bass Lake Glimmers deep in the heart of the summer playground of the Middle West. Thousands of vacationists yearly visit this beautiful lake with its verdant trees, which offers a shady cool haven for the many vacationists who visit the Lake, annually.

Bass Lake has grown steadily with its hundreds of cottages and hotels. They are comfortable and cheerful which makes a vacation a pleasant stay.

Bass Lake is 695 feet above the sea level. Swimming is made refreshing by the many bubbling and cool springs which feed it. There are fifteen miles of shore line which is encircled by a lakeside road.

Bass Lake is supplied with BlueGills, Crappies, Bass and Wall-Eyed Pike. Some residents prefer casting from the shore, while others prefer a spot somewhere out on the lake. A plentiful supply of fish is generally caught by the fishermen. Bass Lake has one of the finest hatcheries in Indiana which keeps the lake and surrounding streams in fish. Boats are for hire around various parts of the lake. The best fishing in the middle West is to be found at Bass Lake.
